All in favor, motion carried.**

2. Community Survey/Strategic Planning-A PowerPoint presentation was given by Mortenson that broke down the results of the community survey from last fall. Discussion ensued on questions with the greatest comments. The two goals that were established after looking at the results were 1. Trails 2. Rec Center. Trails will develop and fund a more comprehensive trail that goes along the river and other more scenic points than just using the sidewalk system. The Rec Center will have a concerted effort to finish off the entire east side with heated areas for additional uses. Mortenson was directed to send the goals to the appropriate committees.

Motion was made by Peterson, second by Golden to adjourn the meeting at 8:45 PM. All in favor, motion carried.
